Work Experience

Hero Assembler

Toyota Manufacturing Company - San Antonio, TX
November 2018 to January 2019

Assembled tires and wheels through a non-stop production line. Main priority was assembling wheels for Toyota Tundra & Tacoma trucks, averaged about 500+ sets made per day. Constant moving conveyor line which allowed little to no breaks & forced you to focus primarily on task in front of you otherwise you'd fall behind.

Sales Associate

Walmart - San Antonio, TX
August 2017 to August 2018

Previously worked as an electronics sales associate for 12 months and consistently rotated between departments to offer help, which ranged from Sporting goods, cashier, loader/stocker, etc.

Fry Cook

Whataburger - San Antonio, TX
June 2016 to September 2016

Switched between all positions as expected in a fast food restaurant. Main position was fry cook but rotated between the drive-thru position, grill position, front cashier position, and server.
